International Symposium on Extremophiles and Their Applications

29 November - 2 December 2005
TOYO UNIVERSITY, TOKYO, JAPAN

Organizing Committee

Prof. K. Horikoshi

Japan Agency for Marine-Earth Science
and Technology (JAMSTEC)

Prof. T. Oshima

Tokyo University of Pharmacy
and Life Science, Japan

Sponsor

JAMSTEC

Co-sponsors

Toyo University

Japan Society for the Promotion of Science

Contact: Secretariat (JAMSTEC)

Dr. S. Ito

E-mail : itos@jamstec.go.jp

Ms. Y. Suganuma

E-mail : xbr@jamstec.go.jp

Major Topics (tentative)

Industrial uses of extremophiles

Physiology and metabolism

Ecology and diversity in deep sea and deep subsurface

Virtual microbial lives

Environments

Information ; <http://www.jamstec.go.jp>

Address: JAMSTEC, 2-15 Natsushima-cho, Yokosuka 237-0061, Japan

EXTREMOPHILES
